FAQS

- No previous experience of the game is necessary. 95% of the rules are the same as traditional netball.
- All England Netball Association (AENA) recognise 'Indoor Netball' as one of their authorised versions of the sport.
- The courts are surrounded by high tension netting. Players can pass the ball off the net meaning that the ball never goes out of play, making a faster and more furious game.
- 1 point goals can be scored from inside the circle, 2 point goals from outside the circle.
- No centre passes, the game is reset immediately at the top of the circle as soon as a goal is scored.

THE COST FOR EACH STAGE OF TRIALS IS £10
