

The logo for the Cornwall Netball Challenge Cup. It features a stylized netball player in black and orange, jumping or diving. Below the player, the text "Cornwall Netball" is written in black, with "Netball" in orange. Below that, "Challenge Cup" is written in a large, bold, black font, with "Cup" in orange.

Cornwall Netball Challenge Cup

It will be run as a knock out competition, which will allow players to play against teams from other divisions which they would normally not meet in the league.

I have recently discussed the structure of the competition with a few clubs and we have decided that the best way to run the competition is to run a 'Challenge Cup' competition for players playing in divisions 1, 2 & 3. Teams knocked out in the first round will then go into the 'Plate' competition.

Alongside this will be 'Challenge Trophy' competition for players playing in divisions 4, 5, & 6. Again teams knocked out in the first round will enter a separate 'Shield' competition.

Each draw will be carried out live on Radio Cornwall.

Entry Details are as follows:

- Clubs may enter more than one team.
- Teams do not have to be as your registered league teams, but players registered in league teams in Div's 1, 2 or 3 may not play down in the Challenge Trophy.
- A player may only play for one team throughout the competition.
- If a team concedes a match, they are automatically withdrawn from the competition.

Entry fee of £10 per team. If you have any questions about the Challenge Cup please don't hesitate to contact me.
