

### **End of Season Satellite Festival**

Cornwall Satellite Academies have had a brilliant season. The 20 weeks of fortnightly coaching for selected players, ages 11-14, is coming to an end. The finale to the season was a Satellite Festival where the North and South Academies came together for a day of fitness testing, positional skills coaching and match play on Sat March 21st, at Truro School. Prizes were awarded for the best players in fitness testing and the team scoring the most goals.

Presentations were also made to outstanding players from each academy. The awards were for Most Improved Player and Coach's Award, this is given to players who have shown real dedication to training.

North Most Improved Player – Jodie Nightingale

North Coach's Player – Maddie Kelly

South Most Improved Player – Bridget Wells

South Coach's Player – Esme Adams

Final awards went to players who had 100% attendance at training and Festivals during the season.

As the season ends and we move forward to the next Development Season some players from Satellite will be recommended for County Academy Screening on May 9th and 16th at Truro College.

Satellite Screening also starts in May at Penair School

May 7th U14 screening

May 14th U13 screening

May 21st Final screening
