In preparation for the A award, learners are required to maintain a log of the matches they have umpired. Matches should be appropriate to the A award level as identified by England Netball.

England Netball recommends that a minimum of 8 x 1 hour competitive matches are included as part of the matches umpired and included in this log book

A completed log book must be verified by the Regional County Umpiring Secretary prior to the formal practical assessment application being made and sent to England Netball.

Fitness level of a minimum of 6.1 must be achieved within 6 weeks of taking the practical assessment
