### **Umpiring/ Coaching Courses - Lack of Numbers**

JP expressed a concern that there was a distinct lack of number on every umpire and coaching course this season. Re arrange C award for 8<sup>th</sup> May and currently no bookings and Level 2 UKCC cancelled and very few booked onto the Level1 UKCC.

It was suggested that with the current economic climate, clubs and individuals don't have the finances to attend courses. CA to continue to support and assist those clubs who come forward and ask for financial help.

### **Umpiring:**

PK suggested that those umpiring Division 1 level matches need to be able to complete the beep test to Level 5 to ensure that umpires are fit enough to keep up with the faster game.

Conceded games costs -

### **Vets Netball:**

Currently 1 booking from a club to enter tournament. Recommendation taken from exec that JP cancels tournament and re arranges for pre season.

### **Junior League:**

£1000 received from Cornwall Sports Partnership for Sport Unlimited Project. This money is going to be put a side so it used after 2011/12 season. AS concerned that Junior league may not get that amount again and was conscious that there needs to be something to help in the future.

**Cancer Research:**

JP asked if anyone from the Exec board can help support the day as Cancer Research is an official sponsor for England Netball. MO agreed to help support JP at the Truro Race for Life. JP to attend cell meeting on the 5<sup>th</sup> of May to discuss how they will be supporting on the day. JP to report back to exec.

**County Plan:**

JP gives an update on the County Plan and County Monitoring Guide. Suggests that County Plan comes first on the agenda in the next meeting as it'll give everyone a really good idea of how Cornwall Netball are doing in relation to the 4 year plan and give us a good indication on the areas we need to improve on using the traffic light procedure. JP to input the specific targets and report back to group.

**Date of Next meeting:**

Changed from 29<sup>th</sup> (Royal Wedding) to the 4<sup>th</sup> of May @ Truro College. 7:30pm.
